The best location in Boulder - West Pearl Street - a quiet area, yet walking distance to everything - coffee shops, market and restaurants, and hiking trails and biking paths. Enjoy the beautiful full trees and mountain views and fresh air from the spacious balcony. With soaring windows to capture the gorgeous light and views, this condo is really a unique find and one of the best to be had on the west side of Boulder. The upstairs has been remodeled to an expansive primary suite with a walk in closet and very spacious full bath and laundry. The private garage with storage cabinets is a huge amenity - such a must have to store bikes securely and plug in your car. This condo offers so much more than is typically offered in this historic part of town - do not miss it!
